

Instructions RHOC 2017

Changes for the 90 kg class:

There will only be one qualifying in the 90 kg class and the result will be the starting position for all the qualifying heats.

The qualification in the 90 kg class will be driven with 8 karts at the same time. After 2 laps, karts will be switched between the best qualified and the last. And the 2nd best with no. 7 and so on. And they will be sent out for another 2 laps. (the fastest lap time of the 2 sessions will be the qualifying lap)

After the qualification, all drivers are sorted by their individual fastest lap times.

ALL drivers must attend in the drivers briefing, as the qualification takes place just after the briefing.

If you are not ready for your qualification you will be placed last.

Heats will be directly driving out of the pit to the straight side of the track, to be lined up for formation lap.

10 Hours Le Mans:

Every 3rd hour the race will be stopped and all karts will go to the pit lane for re-fuelling. (Takes approx. 15 min.) The Race will start when the karts exit the pit, and the order will be the same as when race was stopped.

It is allowed to change driver after the re-fuelling.

There will be X amount of mandatory kart changes during the race. Information will be given later.

It is not permitted to change driver 10 min. before re-fueling
